

To our brothers in Christ:

We are thankful in the Lord Jesus for His mercy and love for each one of us, since He has chosen us to do His work. We are thankful for the Church He has established here in Cartagena. We are also thankful for the blessings He gives not only to us, but to many others as well: to be a part of His family. Greetings to all of you in the love of our Lord.

C.C.C. seminar

In May we have continued with the C.C.C. seminars, and are looking forward to start over with a third group, since there are new people attending to the congregation. Luis gave seminar 3 and Desil did seminar 2 with our second group of “fielders” (fielders since they entered the Christian growth “field”).

Ladies in the teacher's seminar

In May Raquel had a seminar with the new Sunday school teachers. These ladies have been aiding Raquel on Sundays with the children.

We had been preparing for our first anniversary on June 7<sup>th</sup>. We shared out a little over 150 special invitation cards to people that had finished the evangelistic course, and other old students of the course and new ones as well.

60 Chairs were rented to be

able to receive more people than on our regular worships on Sundays. We also prepared a “graduation” for those who had finished the course. 40 certificates were made on this occasion. Our attendance for this

Cartagena church's anniversary

day

was 115 adults and 53 children. Praise the Lord!

Great attendance!

And now we ask your prayers for the following: it has taken us longer than expected to be sure what we are going to do to better the space for the children on the top part of the building. The only thing we are sure of now is that it will take a lot of money, but we are still looking for options. Please pray so we can find the best option, considering that the place is not our own. Also, we

ask your prayers for a day out we are having with the church, on June 15. We hope this activity can help the church to unite in the bonds of friendship

The graduates from our course

and love to one another. And please continue to pray for our sisters Raquel and Schalee, which will be giving birth soon.

Thank you for your prayers, your support and your interest in the Lord's work here in Cartagena. May He abundantly supply you with everything you may need, so you always have for your work and to help others as you do. God bless you and keep you always.

In **Him**,
