

Dear Joe:

We are very happy to know that once again God has blessed his children. And we know that he will continue blessing the life of our sister Mary Anne.

In our congregation also happened beautiful events. The Bible says there is rejoicing in the presence of the angels of God over one sinner who repents. So, during the month of May three important conversions happened.

As you know every Wednesday we have meeting at home. The Bible studies are primarily evangelistic. Tatiana Umana is 18 old year (Umana Yaneth' daughter, baptized last month) knew that her life is empty without Jesus. So, her conversion It was before Thursday meeting (7th)

Kelip Merlo is a young 16-years his parents are separated. He let the school Studies to engage in construction work. His case is typical among the youth of Honduras, the only difference is that early age Kelip took the most important decision in his life, it was to become to the Lord. Since his baptism on Sunday 17th he shown the happiness of belonging to the family of God, and even more when he has some participation during the meetings.

On the last Saturday of May Yeni Castro was added to the church according to Acts 2:47 . Her husband is a brother who some time left to meetings . But in this year he returned to the church and now with his wife and children. After some previous studies about the baptism she decided baptized.

We are very thankful to God because only he has the power to happen events such as the sublime. Also, Thanks to every of you because your prayers are answered by Him

In Christ,
Juan Carlos Santamaria
