

Hello dear brothers,

We hope that you are enjoying the blessings of our Lord Jesus Christ. We have had some activities during the months of August and September. We had a youth reunion in which we talked about many issues concerning teenagers (such as avoiding certain music choices, having correct communication with parents, avoiding dances, etc.).

We have been studying with the grandson of Betty Velasquez. His name is Cristian. He and his girlfriend are interested in learning more about the Bible. They have a 6 month old child but are not married. We hope that they will make good decisions concerning their relationship with God and with each other.

Sadly, we have been down in attendance on Sundays. (Our Wednesday night attendance has increased some, however.) There are two groups of people in particular who we seem to be missing on Sundays. Some of the elderly have not been able to come because of their illnesses and also some of the young people who have been diverted back to the world with jobs and other interests. Please pray for the brothers here that we can continue visiting with them and help them to learn faithfulness to God and His church.

Sometimes, the work here can be discouraging , but we know that God is so good and that he will help us. Please pray for Juan and I as we work for the Lord here in San Borja. It is a great privilege to be able to participate in the great work that God has given us. I want to thank my family for always helping. My wife, along with Elizabet Benites and Amparo Bonilla have been teaching the ladies each Wednesday afternoon. Also, my two boys are a great example to me as they have much enthusiasm for the church. I can surely understand why Jesus said that if we do not become like children, we will not inherit the kingdom of God. We can learn a lot from the children.

In Him,
Yahyire Pinedo
