

Maple Hill House church Ministry Goals

- ◆ Grow in a deeper understanding of the Word of God.
- ◆ Establish and encourage stronger relationships between fellow Christians.
- ◆ Assist the eldership in identifying shepherding needs of the flock.

In addition, it is our desire that this ministry will provide a safe, comfortable place to invite friends and visitors to study the Bible in a non-traditional, structured worship setting. Study curriculum is based on the Sunday morning lesson.

Group Logistics

House church *season* is April through mid-December, on the 2nd, 3rd and 4th Sunday. Meeting times vary by group. Children are welcome at each meeting and will participate in a Bible lesson. Group size maybe limited by space. We meet together at the building every 1st Sunday evening of the month at 5:00 pm. Also, we meet on the Fifth Sunday (Family Fifth) - for morning worship, class, potluck and early afternoon worship.

A traditional Worship service is conducted in the Chapel (east end of the building) at 5:00 pm on Sundays during House church *season*.
